Dear Friends,

Roxey Ballet has been a pillar of our community providing quality dance in every capacity for 29 years with thought provoking, insightful and entertaining productions, education programs and residencies for the disabled and under privileged, and a community refuge for students and adults alike - a place to call home.

Since our inception we have been “Building Bridges Through Dance” and are proud to be nationally recognized as a dance organizations that actively seeks to make the arts accessible to all cultures, genders, and abilities.

During the pandemic we pivoted to producing made for television productions, community engagement opportunities, and revolutionizing our ability to seamlessly transition between virtual and in-person programming. We are now able to provide in-person and virtual programming simultaneously.

Roxey Ballet is still recovering from Hurricane Ida’s complete destruction of our black box theater and rehearsal space. We are grateful for the outpouring of support in 2021 allowing us to Rise Up and return to a full season of performing in 2022. In order to rebuild a temporary rehearsal/performance location we had to accept a SBA Loan. Please consider a donation supporting the organization at <https://www.roxeyballet.org/donate>

Tax deductible donations allows Roxey Ballet to continue to:

- Support education programs in schools like Celebrating Diversity, Dance to Learn and Wheels & Bodies in Motion that allows children of all ages and capabilities to express themselves freely in a healthy, supportive environment.
- Ensure we can offer Sensory-Friendly performances for children and adults with Autism Spectrum Disorder or other sensitivity issues and needs.
- Provide Roxey Ballet the ability to maintain the Scholarship Fund to empower the potential of every child that all children should be able to study dance regardless of their financial ability.
- Use the arts to heal and inspire through productions such as The C Word: Stories of Triumph Over Breast Cancer, Journey Back to the 80’s, and Evermore Nevermore.

On behalf of Mark and Melissa Roxey, the artists, staff, Board of Trustees, and the hundreds of local area students, we thank you for your generosity and continued continued support of our unique programs.

Scott Schied, Board of Trustees President
